

umělá píseň
Mlýny

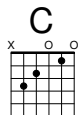

Spirituál, text Dušan Vančura

(Doprovod: swing, pochodák)

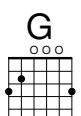

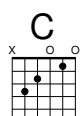

♩ = 120

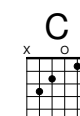

R: Slyším bo-ží mlý-ny, jak se o-tá čí, slyším bo-ží mlý-ny,

jak se o-tá - čí, já slyším bo-ží mlý - ny, jak se o-tá - čí, o-tá -

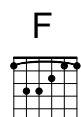

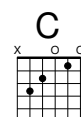

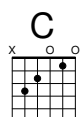

1. | 2.

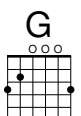

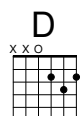

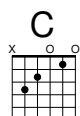

čí, o-tá - čí, o-tá - čí.

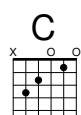

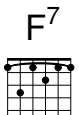

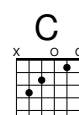

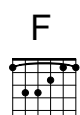

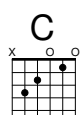

1. Ty mlýny melou celou noc, melou

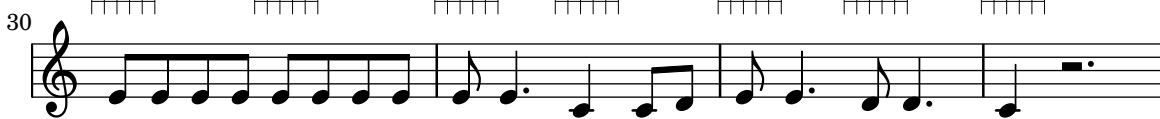

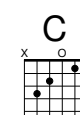

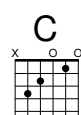

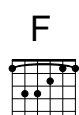

celý den, melou bez výhod a melou stejně všem, melou doleva, melou

doprava, melou pravdu i lež, když zrovna vyhrá-vá. Melou

otrokáře, melou otroky, melou na minuty na hodiny, na roky, melou

pomalou a jistě, a-le melou včas, já už slyším jejich hlas.

2. R

Ó, já chtěl bych aspoň na chvíli
být mlynářem. Pane, já bych mlel,
až by se chvěla zem, to mi věřte,
uměl bych dobře mlít, já bych věděl,
komu ubrat, komu přitlačit.
Ty mlýny čekají někde nad námi,
až zdola zazní naše volání,
až zazní jeden liský hlas,
proboha melte, je čas.

R
